## **PRODUCT DATA SHEET**

# **Gallium Acetylacetonate**

 $Ga(C_5H_7O_2)_3$ 

#### Introduction

**Gallium Acetylacetonate**, also referred by  $Ga(acac)_3$ , is a white crystalline powder soluble in organic solvents. In the presence of oxygen,  $Ga(acac)_3$  decomposes to gallium oxide upon heating at around  $300-400^{\circ}C$ .  $Ga(acac)_3$  has several applications in materials science, organic chemistry, and catalysis due to its versatility and stability.

#### **Properties**

Chemical Formula	Ga (C₅H₁O₂)₃
CAS Number	14405-43-7
EC Number	238-377-0
Molecular Weight	367.05g/mol
Density	Bulk – 1.42g/cm³
Melting Point	196-198°C
Crystal Structure	Monoclinic
Purity	4N (99.99%)
Gallium% (Theoretical)	19%
Color	White crystalline solid/powder
Solubility	Soluble in organic solvents, not soluble in water
Uses	Ga₂O₃ thin-films through atomic layer epitaxy 1D GaN nanostructures

## **Standard Packaging for Powder**

Quantity	Container
----------	-----------

0.5kg 0.5L Amber glass bottle 1.0kg 1.0L Amber glass bottle

#### **Storage and Shelf Life**

**Gallium Acetylacetonate** should be stored at room temperature in a well ventilated place and the container kept tightly sealed. **Gallium Acetylacetonate** has a shelf life of 6 months.

### **Safety Data Sheets**

The SDS for this product can be obtained upon requisition to your local sales team.

Please contact askus@indium.com for sample COAs or to discuss impurity specifications.

This product data sheet is provided for general information only. It is not intended, and shall not be construed, to warrant or guarantee the performance of the products described which are sold subject exclusively to written warranties and limitations thereon included in product packaging and invoices. All Indium Corporation's products and solutions are designed to be commercially available unless specifically stated otherwise.

All of Indium Corporation's solder paste and preform manufacturing facilities are IATF 16949:2016 certified. Indium Corporation is an ISO 9001:2015 registered company.
